Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding the number of times and the amount of money each of your provider hospital trusts has been penalised as a consequence of breaching quality requirements as listed in Schedule 4 of the NHS standard contract services within NHS Southport and Formby CCG.

Request/Response:

The number of times and the amount of money each of your provider hospital trusts has been penalised as a consequence of breaching quality requirements as listed in Schedule 4 of the NHS standard contract. Please break this down by individual standard/requirement/event.

Please can you provide information for 2013/14 and 2014/15. If possible, please can you break the information down by quarter.

- The number of times each provider hospital was penalised is once per financial year
- A summary of the sanctions applied Hospital provider trust contracts is provided in the table below
- A breakdown of sanctions applied for each individual standard is not available
- Payments made to providers at the year-end often include estimates of activity and finance and are a year-end settlement
- Rather than an exact reflection of the position of the contract at 31st March each year
