### **Re: Freedom of Information Request**

Please find below the response to your recent Freedom of Information request regarding the percentage of budget allocated to non-NHS providers within NHS Southport and Formby CCG.

Request/[Response](#):

I am writing you asking if you could please provide for me the following data for your CCG:

The percentage of your budget allocated to non-NHS providers.

The percentage should be computed as the contract expenditure with non-NHS providers out of the total expenditure on acute hospital provision.

Would you be able to provide me the longest time series that you have available?

Would you be able to provide me those data broken down at financial year level, please?

[Please see Appendix 1](#)
