### **Re: Freedom of Information Request**

Please find below the response to your recent Freedom of Information request regarding funding the use of Xiapx in the treatment of Dupytrens services within NHS Southport and Formby CCG.

Request/[Response](#):

Can I enquire as to the CCG policy on funding the use of Xiapx in the treatment of Dupytrens please?

Please refer to the Pan Mersey Area Prescribing Committee prescribing policy statement, which has been approved by NHS Southport and Formby CCG medicines operational groups.
