## **Re: Freedom of Information Request**

Please find below the response to your recent Freedom of Information request regarding the use of electronic systems within NHS Southport and Formby CCG.

### Request/**Response**:

1. What medicines management solutions/tools do you use(e.g. Eclipse, Script switch, etc)

NHS Southport and Formby CCG does not currently use any medicines management solutions / tools.

- 1a. If so, please advise the approximate annual cost of procurement of these to the nearest five thousand pounds

N/A

2. Do you currently connect multiple data sources(e.g. SUS, Primary Care, Ambulance, Social Data)?

NHS Southport and Formby CCG does not directly connect multiple data sources although we do hold a service level agreement (SLA) with a third party provider who provide access to Business Intelligence tools. The tools provide access to present different data sets through one web based portal e.g. contract monitoring, secondary care data, primary care data, mental health data etc. The CCG do not directly own these tools, but are provided with access to them through this SLA.

- 2a. If so, which data do you current connect

Currently connected is SUS data, contract monitoring, secondary care data, primary care data, mental health data.

***Southport and Formby  
Clinical Commissioning Group***

2b. If so, do you currently have a business intelligence system which connects these data sources?

Yes

3. Do you have outcomes based contracts?

No

3a. If so what system do you use to monitor them?

N/A
