The majority of Personal health budgets are provided for either adults who are continuing healthcare funded (CHC), Children complex care (CC) and or individuals who are in receipt of a joint package of care and obtain this via Sefton MBC direct payments with re-charge arrangements in place.</p> <p>For CHC clients the CCG utilises Midlands and Lancashire Commissioning Support Unit to support the PHB process. This requires involvement and oversight by the lead health professional to provide the health needs and plan of care, which defines the indicative budget for the PHB. A 3rd party brokerage supports the client to look at the best way to meet the desired outcomes within the scope of the indicative budget. The CCG holds a PHB panel support the decision.</p> <p>Please see below link for information</p> <p>Southport and Formby CCG http://www.southportandformbyccg.nhs.uk/get-informed/personal-health-budgets/</p>
