Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding technology projects within Southport and Formby CCG.

Request/Response:

What technology projects are you working on at the moment?

The current IM&T Programme dashboard is attached here for reference – this programme details currently live IM&T (technology) programmes.

What problems/challenges are they set to overcome?

The strategic intent of the projects are aligned to our overarching ILINKS Transformation Strategy which is available in the Public domain ([link below](#)). All technology projects aim to achieve a part of the overall IM&T programme.
