## **Re: Freedom of Information Request**

Please find below the response to your recent Freedom of Information request regarding delivery and funding of Disabled Facilities Grants within NHS Southport and Formby CCG.

Request/[Response](#):

1. I would be grateful if you would provide me with copies of any Memorandum of Understanding that exists between your Local Authority and the Clinical Commissioning Group regarding the delivery and funding of Disabled Facilities Grants.

[NHS Southport and Formby CCG does not have in place a "memorandum of understanding" with Sefton Borough Council for the discharge of Disabilities Facilities Grants \(DFGs\).](#)

[DFGs are one of the elements that are covered under a much broader Section 75 partnership agreement, that governs the Better Care Fund agreement.](#)
