Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding locked rehabilitation units within NHS Southport and Formby CCG.

Request/[Response](#):

1. Please can you tell me how many beds the CCG commissions in locked rehabilitation units and Assessment Treatment Units on the present date (4th July 2017).
2. Please state how much each bed costs on a daily basis and please give the name of the unit and the length of time the patient has been at the unit.

For questions 1-2, NHS Southport and Formby CCG does not commission locked rehabilitation beds, this would fall within the responsibility of NHS England and specialised commissioning.
