Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request regarding stress related illness within NHS Southport and Formby CCG.

Request/[Response](#):

Broken down into individual GP practices within the borough of Sefton can you answer the following?

1. How many people have been signed unfit for work due to stress related illness for more than seven days after self-certification in the last 24 months?
2. How many people have been signed unfit for work for more than seven days following self-certification without a second appointment arranged to assess if they would be fit to return to work earlier?
3. How many people have been able to acquire a additional unfit for work note (for the same illness) from a GP without being seen by that GP?

[NHS Southport and Formby CCG does not hold this information, you may wish to refer you query to each individual practice.](#)

Details can be found from the following link –
