**Re: Freedom of Information Request**

Please find below the response to your recent Freedom of Information request regarding Urgent Treatment Centres within NHS Southport and Formby CCG.

Request/[Response](#):

1. What are the name(s) of the organisation(s) which are contracted by the CCG to deliver care in Urgent Treatment Centres (UTCs)?
2. When is each of the existing UTC contracts due to renew?
3. Does the CCG have plans to transition any existing Minor Injuries Units (MIUs) into UTCs? If so, which MIUs? Will there be a procurement process to identify providers and when is this planned to happen?
4. I understand the CCG has recently run a procurement process for GP Out of Hours services. Has a provider been selected and if so, which provider and what is the length of the contract, please?
5. What are the name and contact details of the IUC service development lead for the CCG?
