Re: Freedom of Information Request

Please find below the response to your recent Freedom of Information request within NHS Southport and Formby CCG.

Request/[Response](#):

1. Please provide details of vaccination strategy and schedule for delivery. To cover all of Sefton but in particular the areas of Formby and Hightown

NHS Southport and Formby CCG are working closely with our GP led services and are steadily delivering the vaccine to those who need it most, as fast as we can. However, we cannot vaccinate everybody at once and there is a planned schedule of delivery targeting particular population groupings, in line with advice from Joint Vaccination and Immunisation Committee – the government’s advisors on vaccination.

Please see the below link for information.

NHS Southport and Formby CCG have set up four dedicated local centres where vaccines are being safely administered.

- Southport Centre for Health & Wellbeing,
- Ainsdale Centre For Health and Wellbeing
- Maghull Town Hall
- North Park Health Centre
